

REMARKS

Claim 1, in clauses 3 and 4, has been amended to clarify and provide parallel language with the preamble which says, "a method of generating".

It is not believed the claim scope is changed, but merely places the language in better format, and provides consistency throughout the claim.

The claims in the case are 1-4 and 6-16.

Conclusion

This is a request under the provision of 37 CFR § 1.136(a) to extend the period for filing a response in the above-identified application for one month from June 4, 2010 to July 4, 2010. Applicant is a large entity; therefore, please charge Deposit Account number 26-0084 in the amount of \$130.00 to cover the cost of the one-month extension.

No other fees or extensions of time are believed to be due in connection with this amendment; however, consider this a request for any extension inadvertently omitted, and charge any additional fees to Deposit Account No. 26-0084.

Reconsideration and allowance is respectfully requested.

Respectfully submitted,
